

Psalm68five Ministries

Spring 2019 Update

A father to the fatherless, a defender of widows, is God in his holy dwelling.

Psalm 68:5

Grateful for you! And here comes **Summer 2019!**

We look forward to another exciting summer of **camp for fatherless boys and girls**. Last year—thanks to you and with the help of our partner camps—we were able to send **435 kids** for a wonderful week of Christian camp, where they learned of **God's special blessings for the fatherless**.

This year we are on track to send **even more kids, thanks to your support!**

Here's news: we have worked to **expand our curriculum**. Along with the prayer journal, which presents several Bible verses relating to God as Father, we are gathering music, skits, and activity ideas to reinforce this theme.

We created **additional prayer journals** for returning campers. And, for the first time, we partnered with a Trust Based Relational Intervention trainer and offered **trauma-informed training for our partner camps**. This is a valuable skill for camp staff, as most fatherless kids have experienced trauma and will benefit from this innovative, respectful approach.

We are also thrilled to present our **brand-new, first-ever (anywhere) Training and Resource Camp Manual for work with the fatherless**, created in partnership with Wheaton College's Outdoor Ministry Leadership Program!

It is **amazing** how God increasingly puts the plight of the fatherless and widows on the hearts and minds of those in the church and elsewhere (James 1:27).

And more news: we are hard at work with our partner camps to **meet and exceed last year's number of fatherless campers** for Summer 2019! Thank you for your help!

Requests for scholarships may exceed current funding. We are always glad to **add new camp sessions to accommodate additional children**. Your tax-exempt gift is welcome today: <http://www.psalms68five.org>

Again, thank you for helping us in this important work: to provide a **life-changing week at camp** for a fatherless child!
